OPERATIVE LEGAL PROVISIONS & PRODUCTION GOVERNANCE

1. Nature of Collaboration & Master Scope

1.1 This Master Agreement governs all creative engagements between Photographer and Client/Collaborator. 1.2 For unpaid collaborations, participation is voluntary for mutual artistic exposure and portfolio building; zero monetary fee is owed by either Party. 1.3 For paid commissions, services and commercial deliverables are strictly governed by Schedule A and Schedule B.

2. Project Scope, Creative Authority, 30-Min Grace Period & Overtime

2.1 Shoot concept, mood, theme, location, and tentative deliverables shall be agreed prior to the shoot. 2.2 Final Creative Control: Absolute artistic control over lighting, camera angles, poses, styling, grading, and final selection rests solely with the Photographer. 2.3 **Punctuality, 30-Minute Grace Period & Overtime:** Production commences strictly at the scheduled call time. A complimentary **30-minute grace period** is provided for preparation, wardrobe changes, or brief overrun. Any shoot extension exceeding 30 minutes beyond booked package duration incurs extra charges based on package hourly rates (standard ₹3,500/hour or pro-rata per package tier), billable to final balance before master release. Client tardiness does not automatically extend the booked session window.

3. Package Payments, 20% Advance, Remaining Balance & TFP NIL Terms

3.1 **Paid Commercial Commission Terms:** Invoiced package fees require a strict **20% Non-refundable Advance Booking Deposit** to confirm studio booking, reserve production dates, and mobilize studio crew. The remaining **80% post-shoot balance** is strictly due upon shoot wrap on the execution date. Proofs and color-graded master retouches are released strictly after 100% full balance clearance. 3.2 **Unpaid / TFP Terms:** For unpaid creative collaborations, all package details, monetary fees, deposits, and balances are strictly **NIL (Rs. 0.00)**. Mutual artistic exposure and portfolio licensing constitute complete and valuable consideration under Section 2(d) & 25 of the Indian Contract Act 1872; Collaborator irrevocably agrees not to demand payment, royalty, or compensation now or in the future.

4. Image Selection, Deliverables & Strict No-RAW Policy

4.1 **Strict No-RAW Policy:** Unedited RAW camera files and digital negatives are proprietary confidential trade assets and will **NEVER** be released, sold, or provided under any circumstances. 4.2 **Unpaid TFP Selection & Turnaround:** For unpaid creative collaborations, image curation and selection rest exclusively with the Photographer based on artistic merit. There is no guaranteed turnaround timeline or delivery deadline. Photographer will edit and publish selects per studio schedule; Collaborator may repost with mandatory tag (@iamchiranjitkar). 4.3 **Paid Commission Deliverables:** For paid commercial commissions, client receives proofing selects within 48–72 hours, with final color-graded retouched deliverables released following full balance clearance.

5. Ownership, Statutory Copyright & Irrevocable Model Release

5.1 **Statutory Copyright:** Under Section 17 & 19 of the Indian Copyright Act 1957, Chiranjit Kar is the exclusive author and sole copyright proprietor of all photographs, raw negatives, and video recordings.
